## Overview

FortisBC customers (each, a “Customer”) who purchase a new, qualifying natural gas fireplace between January 1, 2014 and December 31, 2014 may be eligible for a \$300 rebate. FortisBC is offering an additional rebate of \$50 to the contractor/dealer involved with the purchase of the Customer’s fireplace (each, a “Contractor”).

## Eligible homes

- In order for the Customer and Contractor to qualify for a rebate under the program, the Customer must be a residential customer of FortisBC Energy Inc., FortisBC Energy (Whistler) Inc., or FortisBC (Vancouver Island) Inc. (collectively, “FortisBC”) and install a qualifying fireplace in a residence in the FortisBC natural gas and propane service territory.
- The Customer/Contractor is eligible to apply for one rebate for each qualifying fireplace purchased and installed. Please ensure that proof of purchase for each qualifying fireplace is obtained from the dealer at the time of purchase.

## Eligible fireplaces

To qualify for the rebate, the fireplace must be:

- an EnerChoice rated, free-standing stove (66 per cent FE or higher), fireplace (62.4 per cent FE or higher) or insert (61 per cent FE and higher).
- purchased and paid for in full between January 1, 2014 and December 31, 2014.
- installed in accordance with the requirements of the BC Safety Authority and/or gas authority having jurisdiction in your area and in accordance with the manufacturer’s specifications and all applicable laws, codes, standards and ordinances.

## Program process

- To be eligible for a rebate, the Customer must return a copy of the completed application form with a copy of the purchase invoice for the fireplace and a copy of the gas contractor invoice that contains the date of installation, details of the work performed and the registration number of the gas fitter and installation permit number.
- If a Customer is applying for more than one rebate, the Customer must ensure each fireplace is clearly documented on both the purchase invoice and the gas contractor invoice. Customers must fill out an individual application form for each \$300 rebate requested.
- Applications must be postmarked no later than January 31, 2015.
- Applications must be signed by the Customer.
- Processing of applications may take a minimum of 90 days.
- FortisBC is not responsible for lost, delayed, damaged, illegible or incomplete applications.
- FortisBC reserves the right to refuse applications that it determines, in its sole discretion, are incomplete, inaccurate or otherwise do not meet program requirements.

## Rebates

- Rebates will be issued by cheque in the name of the account holder for each qualifying fireplace.
- Contractor rebates will be issued to the business name identified on the application form.

## Additional terms and conditions

- FortisBC may amend, modify or terminate this program at any time based on funding limitations or for any other reason, without notice.
- FortisBC, not being the designer, manufacturer or provider of fireplaces, makes no representation or warranty, expressed or implied, as to the necessity, quality or efficiency of any fireplace submitted under this program and accepts no liability or responsibility for such fireplaces.
- FortisBC accepts no liability for work performed by or on behalf of a Customer with respect to the purchase, installation or maintenance of a fireplace in conjunction with this program.
- The Customer agrees that FortisBC may record any resulting reductions in emissions and credit them to the FortisBC Greenhouse Gas Management Program.
- The Customer agrees that FortisBC has no liability concerning any estimated energy savings of fireplaces submitted under this program or the installation, performance or fitness of such fireplaces.
- The Customer and the Contractor are solely responsible for any tax liability imposed as a result of receiving a rebate cheque.
- This program is independent of other incentives and rebates by FortisBC and/or other utilities, manufacturers, or government incentive programs or grants.
- Rebates cannot be assigned or transferred to another recipient.

## Measurement, verification and evaluation

- By applying for this program, the Customer agrees that FortisBC may, at its discretion, evaluate the newly installed energy saving measure at the Customer’s premises for the purposes of verifying installation.
- “Customer information” means all information disclosed by the Customer in any program application materials, including personal information disclosed by the Customer, and any billing, energy use and consumption information for the premises at which the new energy saving measure(s) is installed for a period of two years before and two years after such installation. By applying for this program, the Customer acknowledges and agrees that:
  - FortisBC collects and uses the Customer information in order to process, administer and evaluate the program and develop other FortisBC energy efficiency programs.
  - FortisBC may contact the Customer in the future to evaluate the effectiveness of the program, which may include surveys.
  - FortisBC may retrieve the Customer’s billing, energy use and consumption information from the FortisBC account database for the period set out above in order to analyse consumption behaviour and energy savings attributable to the program.
  - FortisBC may disclose the Customer information to its affiliate, FortisBC Inc. in order to administer and evaluate this program and develop other FortisBC energy efficiency programs.
